Dear Neighbor,

Sunnyvale Metro Little League is a local youth sports organization that has been serving our community for decades, giving hundreds of local kids the chance to learn teamwork, perseverance, and sportsmanship on the baseball field. We are a 501(c)(3) nonprofit, run entirely by volunteers, and rely on the support of local businesses to keep registration affordable, maintain safe facilities, and provide scholarships so no child is turned away.

We are reaching out to invite local businesses to partner with us as a community sponsor for the 2026 season. Sponsorship is more than just financial support—it's an investment in the families of Sunnyvale and the surrounding communities. We offer several sponsorship levels matching your marketing goals and community impact.

- **Outfield Banners** are seen by local families and visiting teams throughout the season.
- **Website & Social Media Recognition** connecting your brand with our engaged community.
- **Opening or Closing Day Announcements & Booth Opportunities** to meet families directly

Your support helps us:

- Repair and maintain our fields and facilities
- Provide safe equipment and uniforms
- Offer scholarships so every child can play, regardless of financial need

This is a high-visibility, hyperlocal way to showcase your business directly to Sunnyvale homeowners while tangibly supporting kids in the community.

Thank you for considering supporting our league,

With gratitude,
